

Dear Friends,

In the interests of the health and wellbeing of our staff, artists, and visitors, Pocosin Arts temporarily pausing all Community Youth and Adult classes through March 31, 2020. We will reevaluate this decision at that time.

We feel a great responsibility to take care of our staff and visitors. With that priority in mind, this pause is an appropriate precautionary measure. We will post to social media and our website any updates to this decision.

Unfortunately, we cannot safely host our April 24-28 workshops, and they are cancelled.

We will continue to answer questions by phone or email, so please don't hesitate to contact us. During this pause, we will be providing weekly creative activities to Tyrrell county students on Fridays through the meal delivery buses and posting weekly, five-minute demonstrations led by our community class instructors/artists: Mark Arnold, Zachery Lechtenberg, TaeHyun Bang, Jennifer Wells, Laura Casas, and Dick Heiser.

These demonstrations can be found on:

We hope that we will see you all soon once classes resume!

Sincerely,

Marlene True
