## Materials and Equipment

Instructor Name: Christian Schmit

Workshop materials are part of the total cost of your workshop and are paid by the student at the time of registration. Therefore, it is important that you provide an accurate list of all the supplies you will need.

Please consider carefully all the tools and materials you will need to successfully complete your workshop. Provide as much detail as possible (see example.) You may also assemble tool/material kits to bring or ship to Pocosin Arts and we will reimburse you. Please call Michelle Clower at 252.796.2787 with any questions.

Pocosin Arts does not have a supply store so it is important to be thorough. Providing the supplier name and exact item number assure that we purchase exactly what you need.
