

Pocosin Arts *School of Fine Craft*

Materials and Equipment

Instructor Name: Andrew Hayes

Please consider carefully all the tools and materials you will need to successfully complete your workshop. Provide as much detail as possible (see example.) Please call Laurel Fulton at (720) 939-6961 with any questions.

Providing the supplier name and exact item number assure that we purchase exactly what you need.

Specify Quantity per Student/ Studio	Item/Tool/ Material	Supplier/ Website/ & Item Number	Select One of the Following:	
			Instructor will send	Student will order
		These are all materials I will be using during the workshop, for reference.		
1 square foot	16 gauge sheet steel	This could be purchased at a home improvement center or at a local metal supply or you could poke around at your scrap yard		X
1 pair	Leather gloves	These are favorites of mine but anything snug not too loose. https://www.weldingsuppliesfromioc.com/tillman-1470-truefit-premium-top-grain-goatskin-performance-gloves		X
Several Pairs	Disposable rubber or Nitrile gloves	You can find these at Lowes or Home Depot, or even car part places.		X
1	Can of spray paint, any color.	I like the spay paint from Ace personally. But Valspar or Rust-oleum work just fine to.		X
