

Pocosin Arts School of Fine Craft

Materials and Equipment

Instructor Name:

Please consider carefully all the tools and materials you will need to successfully complete your workshop. Provide as much detail as possible (see example.) Please call Laurel Fulton at (720) 939-6961 with any questions.

Providing the supplier name and exact item number assure that we purchase exactly what you need.

Specify Quantity per Student/ Studio	Item/Tool/ Material	Supplier/ Website/ & Item Number	Select One of the Following:	
			Instructor will send	Student will order
1	<p>Computer, either a laptop or a desktop; preferable a PC but MACs will work too.</p> <p>YOU WILL NEED A MOUSE FOR SURE, WITHOUT A MOUSE IT IS HARD TO WORK ON A CAD SOFTWARE.</p>	<p>You can download a FULLY workable DEMO version of Rhino 3d which will be active for 90 days from the time of download. PLEASE DO NOT DOWN LOAD IT UNTIL ABOUT 3-5 DAYS BEFORE CLASS STARTS.</p> <p>The DEMO should be of no cost to you. It should be free to use for 90 days. After that it will be deactivated.</p> <p>My recommendation is NOT to buy a full license till you have taken the training/class we will be discussing this more in class and what options you have.</p>		<p>https://www.rhino3d.com/download/rhino-for-windows/evaluation</p> <p>https://www.rhino3d.com/download/rhino-for-mac/evaluation</p>
1	Digital calipers	<p>Most should have this in your tool box but if you do not that is fine please purchase one</p> <p>Usually, they are about \$20 from harbor freight. If you have one that is not digital that will work also.</p>		<p>https://www.harborfreight.com/search?q=digital%20caliper</p>
