You will need:

A worktop space

Clay that doesn't shrink excessively (no porcelain or b-mix), stoneware is good or anything that's got filler such as grog or sand, kyanite, etc...

Corn Starch and a fluffy brush to apply it with

Your usual clay tools

A small pot of water, a stiff brush with a smallish head, and a small sponge

A banding wheel or a bat or something you can use to turn your work easily

Paper and pen or pencil

A hair dryer or heat gun
