

Pocosin Arts School of Fine Craft

Materials and Equipment

Instructor Name: Austin Coudriet

These tools are not required but I find them to be extremely useful when creating large sculptures

TOOLS	RECOMANDATION #1	RECOMANDATION #2
Banding wheel	Shimpo banding wheel size: 8-3/4" x 2-1/2" https://www.dickblick.com/products/shimpo-banding-wheels/	Any banding wheel, lazy susan or even a kitchen spice turn table would work!
Spray bottle	Any department store	X
Container for water	Any container will do, I use small icecream bowl sized container	X
Sponge on a stick or brush	chop stick, rubber band and small circular sponge	a cheap medium sized brush works well too
Knife	Dolan 220C https://www.baileypottery.com/c-096-220c.html	Exacto knife https://www.amazon.com/X-Acto-XZ3601-X-ACTO-Knife-Safety/dp/B005KRSWM6
Scoring tool	Xiem scoring tool http://www.xiemtoolsusa.com/Retractable-Scoring-Tool_p_313.html	This is the best scoring tool out there - no other recommendations - please be careful retracting it - it is very easy to stab yourself on accident
Metal ribs	https://www.amazon.com/COMIART-Sculpture-Pottery-Molding-Ceramics/dp/B071JLQ4KY/ref=sr_1_3?keywords=metal+pottery+ribs&qid=1638245182&sr=8-3	Every pottery store should have a wide array of these metal ribs
Surform	small shredder from mudtools https://mudtools.com/collections/shredders/products/shredder-small?variant=40643015436	Stanely Surform https://www.stanleytools.com/products/hand-tools/demolition-tools/files-surform/714-in-surform-shaver/21-115
Clay	Earthenware from Standard clay https://standardceramic.com/collections/clay/products/104-red-clay-w-grog	X
