

Pocosin Arts *School of Fine Craft*

Materials and Equipment

Instructor Name:

Please consider carefully all the tools and materials you will need to successfully complete your workshop. Provide as much detail as possible. Please email your online coordinator at zoom@pocosinarts.org with any questions.

Providing the supplier name and exact item number assure that you purchase exactly what you need.

Quantity	Item / Tool / Material list	Supplier
	White clay	I use 910 Cone 6 Porcelain from the Pottery Supply House
1	Regular HB pencil	
1	Sponge	I like the Mudtools finishing sponge
1	Small bowl of clean water	
1	Plastic (synthetic 1.5" brush)	I buy these in a pack of five different sizes from the Dollar Store. The wider the brush the faster it is to paint pottery wax on your piece.
½ cup	Pottery Wax	I use the pottery wax made by Tuckers Pottery Supply.
1	Exacto Knife	Basic silver exacto knife with replaceable blades. I get mine from Staples and they are under \$5 Canadian.
Up to the individual	Underglazes	I use Amaco Velvets, some Coyote and some Spectrum underglazes. A variety of colours is nice but having a red, blue, yellow, black and which provides a good foundation because you can mix them to create your own colour.
1-5	Basic paint brushes of different sizes.	My favourite is a Princeton #10. It is good to have a few sizes.
1	Sketchbook or piece of regular 8"x 11" paper	
1	Clear plastic ice cube tray	I get mine at the dollar store. These trays are a great way of holding 12 different colours of underglaze that you mix up yourself. Clear plastic is better than a colour because you can see the colours of your paint better.
1	Respirator mask	Good to use for safety purposes when you are carving through the wax.
