

## Drawing through wax – Student Handout

### Sources of Inspiration:

Pattern Bank: <https://patternbank.com>

Spoonflower: <http://www.spoonflower.com/welcome>

Agnes Etherington collection: <https://agnes.queensu.ca>

### All about pattern:

Glossary of pattern terms Artlandia: <https://artlandia.com/wonderland/glossary/>

### Some Elements of Good Design:

- Contrast (colour, pattern, size)
- Balance of positive and negative space
- Depth (having things overlap)
- Focal Point (having something be the focus of the design)
- Texture (This can be created by using different kinds of lines or printing)

### Playing with pattern:

What if I...

- make my shape bigger?
- fill in part of it?
- make the line different?
- add some pattern to it?
- repeat it?

Getting into the groove:

Enso practice of painting circles
