## Materials and Equipment

Instructor Name:

Please consider carefully all the tools and materials you will need to complete your workshop successfully. Provide as much detail as possible. Please email your online coordinator at [zoom@pocosinarts.org](mailto:zoom@pocosinarts.org) with any questions.

Providing the supplier name and exact item number ensures you purchase exactly what you need.

Note: The items on the Tools, Equipment, and Material List will be used and demonstrated throughout the workshop. In many situations, the items below can be interchanged and substituted. If they are not owned or available it is optional to purchase. I suggest waiting to buy any of the following until after viewing the entire workshop.
