

Outline & Goals:

- You will learn how to decorate a mug using custom stencils, underglaze, slip trailing, and carving techniques.
- You will learn how to make your own custom “cookie cutter” to efficiently cut shapes and you will learn how to sculpt dimension into those shapes and add them to your pieces.
- You will learn the basics of making colored clay and how to use it to create unique surfaces by using techniques such as mokume gane and color blends.
